since the passing of the righteous
Rebbitzin of Holmin

blessed be her memory.***

*We are men of good tidings, and will soon begin,
b'ezrat Hashem,*

***writing a magnificent, glorious
Sefer Torah***

*as is fitting and appropriate to honor her pure memory.
We are calling upon all our friends and acquaintances
in all locations,*

*Take part in this important mitzvah
and join us in writing a parsha or amud in the Sefer Torah,
to elevate the soul of you father, mother, or relative,
or for your own success, health,
finding a marriage partner, etc.*

***And you will thereby merit fulfilling
the mitzvah to write a Sefer Torah.***

"And now write for yourselves this song"

***The Sefer Torah will be welcomed
with great honor and splendor,
with the help of Hashem, blessed be His name,
into the Holmin Beit Midrash in Beit Shemesh,
with your attendance and in your merit***
