Holy Words for the Righteous Soldiers

Yitachdu Hayehudim V'yitchazku Halevavot – The Jews with unite and their hearts will be strengthened, by the warm light of the flames, through the study of the hidden Torah along with the revealed, for that is what Moshe Rabbeinu has commanded us until the end of all generations. To grasp onto the tree of life, the holy Zohar – and live eternally.

For this path of study is like Noah's Ark, offering protection from the flood waters, particularly now at the End of Days – the end of all generations. And particularly for our brothers, Bnei Yisrael, who sanctify their souls for the Nation of Israel, who stand on the front lines prepared to sanctify Hashem's name, as did Nachshon Ben Amindav, in whose merit the sea split.

We have brought here for every Jew who can study, the Holy Zohar in Hebrew, and this path of study is connected to the holy Shechina and will therefore merit those who study it with protection and security, and with Heaven's help a long life. For the power of the holy Tanna Rabbi Shimon Bar Yochai is very great, to save us from transgressing, and to save us from judgment. And as Rabbi Shimon Bar Yochai said, "I can exempt the whole world from judgment." And when his Torah is studied he is with us and protects us and defends us - all of Am Yisrael, and particularly those who study his Torah.

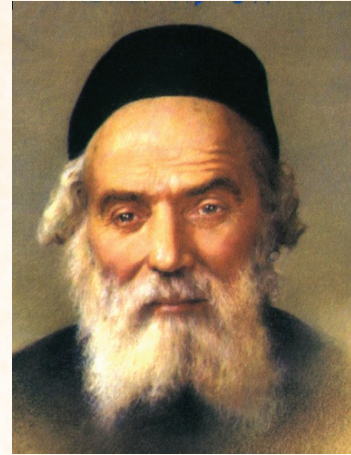

Therefore, we request of you, for the sake of the whole Jewish community, to study the Holy Zohar for one minute every single day. As the Police officer Rabbi Yochanon Banon, may he rest in peace, was instructed by Heaven to tell Am Yisrael [publicized in an audio and video disk "Clinical Death", tel. 052-765-1911] - study the Holy Zohar for one, two, or three minutes, and thereby save your bodies and souls. And just as you are prepared to sacrifice yourselves for Am Yisrael, to be the Nachshon Ben Aminadav, to volunteer to be first to go into battle, thus also be the Nachshons with regard to setting aside time to study the Holy Zohar for the salvation of yourselves and of Am Yisrael. We know from the holy Baal Shem Tov that in the merit of simple Jewish soldiers the Mashiach and the Redemption will arrive, and we also know that when someone studies the Holy Zohar it is as if he is uttering the names of the Holy One Blessed be He, and he is worthy of performing miracles. Therefore, let us all join Rabbi Shimon Bar Yochai, blessed be his memory, and merit having the light of his Torah protect us. As the Ben Ish Chai wrote in a piyut: "His Torah protects us, it lights up our eyes, it will serve as our advocate, our master Bar Yocahi"

The Zohar Torah, divided according to the days of the year, is printed especially for Israeli soldiers, may their lives be blessed

“Behold, I am sending an angel before you to guard you on the way and to bring you to the place that I have prepared.” (Shemot, 23:20)

The Chofetz Chaim, blessed be his memory, wrote a special book for soldiers.

The Chofetz Chaim wrote “The Jewish Camp for Soldiers”, and we follow his lead. And we should be especially grateful towards the soldiers, who make sacrifices, who sacrifice their lives for us. Baruch Hashem that there are many soldiers in the World Zohar Project who are happy to bring merit to multitudes, particularly through the study of the Holy Zohar. And whoever so desires can be a partner in this holy project. For now, with the help of Heaven, we have the good fortune to have printed Zohar Torah in Hebrew **in a special edition for soldiers**. These holy books are among the greatest things that our generation – the generation of Mashiach – has been fortunate to receive: special protection from Rabbi Shimon Bar Yochai, may he rest in peace.

In this book we have presented the Holy Zohar in Hebrew, and also the passage “*P’tach Eliyahu*” from Tikkunei Hazohar, which Jews recite before praying. And also a few other prayers and passages from the Holy Zohar that are customarily recited by all Jews before every prayer, in Hebrew. And in the merit of this book may your prayers be accepted, as the holy Tzaddik of Lublin and Rabbi Yaakov Abuchatzzeira (*Begadei Hasrad*) both wrote: Without studying the Holy Zohar before praying, our prayers cannot be received.

And during the horrific Holocaust, may the merciful One protect us, the lives were saved of those who were accustomed to recite P’tach Eliyahu by heart every day before praying. And the power of that passage can clearly be seen (Edut B’Yaakov). And in these few minutes of reciting Zohar, everything can change for the better, and one can join the ranks of bnei aliya, and merit “No eye had ever seen a god besides You perform for him who hoped for him,” and “He will merit great, revealed miracles.” As is illustrated in the well known story of the soldier who had a copy of Tikkunei Zohar that he was studying in his pocket, and he was shot at near his heart, and the bullet lodged in the cover of the Holy Zohar book in his pocket. And he showed the great miracle to all his fellow soldiers.

Each one must urge his friends to take note of this and save himself.

You want a personal, highly trained body guard at you aside, or an expert doctor who will take care of you 24 hours a day if you fall ill - a solid blessing for success and good fortune for your entire life - a long and good life - an abundance of blessing and success in all your endeavors. From this moment on, every Jew can merit this, and enable others to merit the same.

“And you shall worship the Lord, your God and He will bless your food and your drink, and I will remove illness from your midst.” (Shemot, 23:25)

And in your merit the promise will be fulfilled, “As in the days of your exodus from the land of Egypt, I will show him wonders.” (Michah, 7:15)

And may we all merit together a complete Redemption speedily in our days, amen.
